

Patent Amendment

In the Claims

Please cancel Claims 2, 4-7 and 11-33.

Please amend the Claims as follows:

1. (Currently Amended) An electrical shield for an electronic equipment rack mounted on a chassis, the electrical shield comprising:

a body of moldable material, said body having a primary side and a secondary side, wherein a plurality of contoured channels are formed on and planar to said primary side for receiving electrical cables therein; and

an electrically conductive coating disposed at least on said secondary side, wherein said coating is operable in an electrically conductive relationship with ~~a~~ the chassis in which said body of moldable material is operable to be disposed.

2. (Cancelled)

3. (Currently Amended) The electrical shield of claim 1, wherein said secondary side comprises a substantially planar surface parallel to said contoured channels.

4. (Cancelled)

5. (Cancelled)

6. (Cancelled)

7. (Cancelled)

8. (Original) The electrical shield of claim 3, wherein said body of moldable material comprises a structural plastic foam.

9. (Original) The electrical shield of claim 3, wherein said coating comprises a metallic coating layer.

10. (Currently Amended) The electrical shield of claim 9, wherein said metallic coating comprises a ~~non-oxidizing~~ copper layer.

11. (Cancelled).

12. (Cancelled).

13. (Cancelled)

14. (Cancelled)

15. (Cancelled)

16. (Cancelled)

17. (Cancelled)

18. (Cancelled)

19. (Cancelled)

20. (Cancelled)

21. (Cancelled)
